**MCBA 2013
CONSTRUCTION LAW DIRECTORY
Second Edition**

**PRODUCED BY THE CONSTRUCTION LAW SECTION OF
THE MARIN COUNTY BAR ASSOCIATION ©MCBA**

This directory is a product of the Construction Law Section of the Marin County Bar Association. It is not meant to be exhaustive. The attorneys listed here are members of the Construction Law Section. Experts included are those most commonly retained by Marin County construction attorneys. Construction mediators and special masters listed are those who have self-identified as such. The Marin County Bar Association assumes no warranty or responsibility for any person included.

The goals of the Construction Law Section are to foster excellent construction attorneys and mediators, to treat our adversaries professionally, and to be helpful and courteous to one another.

The Construction Law Section would like to thank construction expert Wes Daniels, who assisted us and inspired the first 2012 edition of the directory by the compilation of his 2002 Big Book of Experts, and to give special thanks to Darcy Lichter, legal assistant at Monty White LLP, who was invaluable in the production of this directory.
